Rotary Wing Society of India (RWSI) is a not-for-profit professional Society registered in National Capital Territory of New Delhi(Registration No. S33154 of 1998 on 18 June 1998) for the growth of Civil & Military helicopter industry in India. RWSI is dedicated to the promotion of the helicopter as a safe and effective mode of commerce and development of civil helicopter industry. The Society has 168 Corporate (including 90% of helicopter operators), and 1210 Life Members. The strength of Life Members have grown steadily since the establishment of the Society. Most of these members have made major contribution to Indian Civil & Military Aviation. RWSI has three regional Chapters at Mumbai, Delhi, Bangalore, Pune and Chandigarh to serve the Helicopter community's needs and promote the Industry.
